WHO IS MAUDE ARMATAGE?

Maude was a guiding light and driving force helping Minneapolis to come of age in the 20th century. She was a lifetime member of the Board at large, elected to the Park Board in 1920, just one year after women got the vote. Living by the motto of "civilized leisure" with leaders such as Theodore Wirth, she founded our fabulous park system and fostered the "greening" of our city. We honor that spirit of civilized leisure and civic responsibility.
